Julien Sauvagnat

FULL PROFESSOR
Financial Markets

JULIEN.SAUVAGNAT@UNIBOCCONI.IT

Biography

Julien Sauvagnat is Full Professor in the Department of Finance at Università Bocconi. In 2016 he joined BIDSA (Bocconi Institute for Data Science and Analytics) Research Center Fellow, Università Bocconi and he is a Research Affiliate (Financial Economics and Organizational Economics groups), at CEPR Centre for Economic Policy Research.

His research interests cover a wide range of topics in financial economics with a focus on Corporate Finance, Applied Micro, production networks, and international trade. He is the author of numerous articles on his topics of interest. His works have been published in the Journal of Finance, the Review of Economic Studies and the Journal of Industrial Economics, among others. Since 2017 he is Associate Editor of the International Journal of Industrial Organization (IJIO) and of the Journal of European Economic Association (JEEA).

He got a Ph.D. in Economics from Toulouse School of Economics, and he holds a Master's degree in Management from the HEC School of Management and a Master's in quantitative economics and finance from École Polytechnique and between 2018 and 2019 he was Visiting Scholar at MIT Sloan School of Management.
