

Thanos Papadimitriou

FELLOW

Operations & Supply Chain Management

THANOS.PAPADIMITRIOU@SDABOCCONI.IT

Biography

Thanos Papadimitriou is Fellow of the Operations and Technology Management Unit of SDA Bocconi and an Adjunct Faculty at London Business School. He specializes in Technology Management and Entrepreneurship. He earned his BSc from MIT in Computer Science and MS in Computer Science and PhD in Management from UCLA, the later with support of an Onassis scholarship, and he has published articles in the areas of data inventory management, social media, supply chain counterfeiting, and other related topics.

He is also Adjunct Faculty at London Business School and Visiting Professor at ALBA, Greece and Chulalongkorn University, Thailand. In addition to his academic credentials, Professor Papadimitriou has 20 years of full-time and part-time Technology Management work experience initially as a consultant with Cambridge Technology Partners and later having co-founded or advised more than half a dozen companies in the US and Europe including AlphaDetail, LingoSpot, and M2C Media. He has two successful exits under his belt and is the Managing Director of business incubator mBriyo.
