Vittoria Ardito

LECTURER
Health Policy

VITTORIA.ARDITO@SDABOCCONI.IT

Biography

Vittoria Ardito is a Lecturer of the Government, Health and Not for Profit Knowledge Group, and a member of CeRGAS (Centre for Research on Health and Social Care Management).

Her research activities focus mainly on health economics, health technology assessment and economic evaluations, market access and pricing of pharmaceuticals and medical devices, digital health (mHealth and artificial intelligence). She is involved in several national and international research projects, such as MUSA, under the National Recovery and Resilience Plan (NRRP), and European projects, such as the Horizon Europe HI-PRIX (G.A. 101095593) and the Horizon 2020 Geronte (G.A. 945218).

Vittoria is author of several scientific publications in national and international journals, and chapters of the annual OASI Report. She presented in national and international conferences such as AIES (Associazione Italiana di Economia Sanitaria), EHMA (European Health Management Association), ISPOR Europe, HTAi.

Vittoria holds a BSc in Management and a MSc in International Management, both from Università Bocconi. She is currently pursuing her PhD studies at the Faculty of Business Administration at the University of Hamburg.

Teaching domains

Health Technology Assessment

Medical Devices and Healthcare Programs

Digital Innovation

Real-World Data and Real-World Evidence

Regulation of Health Care
