# Biography

Lorenzo Motta is a Junior Researcher of Government, Health and Not for Profit at SDA Bocconi School of Management.

At SDA Bocconi, he collaborates with the INVESTinIT Lab since 2022, researching on public-private partnerships for the realization of Long-Term Investments.

His research activities focus on public private partnerships for infrastructure and business development, public procurement and impact investing.

He holds a B.Sc. in Economics and Social Sciences and a M.Sc. in Economics and Management of Public Administration and International Institutions, both from Bocconi University. He is currently pursuing a Master of Health Care Management at SDA Bocconi.
