Biography

Emanuele Teti (Ph.D.) is Affiliate Professor of Corporate Finance at SDA Bocconi School of Management and contract professor of Corporate Finance at the Bocconi University in Milan, where he teaches Corporate Finance at the CLEAM degree course and the CLEACC degree course. He is an Associate Professor of Corporate Finance at the University of Pisa.

His research interests focus on the world of corporate finance. With particular emphasis, he deals with issues relating to financial analysis, capital budgeting, the financial structure of the company and the relationship with corporate value, extraordinary business operations and M&A. His research and publications span various sectors, including the TMT (Technology, Media & Telecommunications) sector, Utilities and the Arts, Entertainment and Culture sectors.

He is also the author of several books on corporate finance issues, in their various components.

After graduating in Business Administration from Bocconi University, he received a Ph.D. (Ph.D.) from London Metropolitan University of London.

Teaching domains
