
ASSISTANT PROFESSOR

Business Data Analytics

LUCA.MOLTENI@UNIBOCCONI.IT

Biography

Luca Molteni is an Assistant Professor at the Department of Decision Sciences at Università Bocconi. Since January 2017 he has been the Department of Decision Science Liaison Officer at SDA Bocconi School of Management.

His collaboration with SDA Bocconi began in 1987. He is an MBA Faculty Member at SDA Bocconi. He has conducted research, education and consulting projects with some of the major players in the banking and pharmaceutical industries.

His research activities focus on the field of data analysis, Big and Small Data, with a particular emphasis on predictive models and their business applications (in marketing, strategy, organization and production). In the past, he has focussed on the study of statistical features for the evaluation of quality and customer satisfaction and has carried out research and statistical analysis of data for school projects.

He is the author of various books and articles on his subjects of interest. His works have been published in the International Journal of Design & Nature and Ecodynamics and Economia & Management, among others. He was a Visiting Scholar at the University of California, Los Angeles (UCLA) in 1992.

Luca earned a degree in Economics and Social Sciences (DES) from Università Bocconi.
