## Biography

Alexander Maximilian Hiedemann is a Lecturer in Government, Health and Not for Profit at SDA Bocconi School of Management and Contract Professor of the course "20516 - Management of International Organizations and NGOs" at the Department of Policy Analysis and Public Management at Università Bocconi.

He has collaborated with SDA Bocconi since 2015. He has conducted research and education projects with primary public administrations at national level (Local Authorities, Public Agencies, Preventive Institutions, Central Administrations) and international organizations (governmental and non-governmental organizations) including: the Master of Public Administration (MPA) of which he was Director in 2018/2019, the Executive Master in Management of International Organizations (EMMIO) and the European Learning Visit, part of the Executive Master in Management of Public Administrations (EMMAP).

His research activities focus on Operations Management in public administration and international organizations. Recently he has been involved in research groups related to: the tandem application of "Lean" and "Nudge", digital growth, evolution of sustainable and integrated urban development models. He has also contributed to research projects focused on "Strategic HR Management", as well as projects aimed at comparing the selection and appraisal systems of public managers in Europe and the redefinition of top management's collegial work.

He is the author of essays and articles dealing with his topics of interest. Among the most recent publications: Hiedemann A. M., Mion Dalla Carbonare P., Nasi G. (2018) Milano, Monaco, Barcellona: smart city a confronto, Dossier Smart Cities, E&M 1/2018 and Hiedemann A. M., Nasi G., Saporito R. (2016) "A Public Service-Dominant Logic for the executive education of public managers", Teaching Public Administration.

Alexander Maximilian earned a degree in Economics and Management of Public Administration and International Institutions from the Università degli Studi di Ferrara and an MSc CLAPI - Economics and Management of Public Administration and International Organizations from Università Bocconi.
