Curriculum Vitae

Emanuele Vendramini is SDA Fellow of Government, Health and Not for Profit at SDA Bocconi School of Management. He is Associate Professor at Catholic University, Piacenza campus.

At SDA, he has been Director of the Master in Public Management. He conducted research and training projects on performance measurement with important regional institutions.

His research activities focus on performance measurement, primary care and local institutions. Recently, he has been studying management tools for primary care management (analysis of regional integration agreements of MMG) and the role of management control in Italian health authorities.

He is the author of numerous books and articles on the subject. His works have been published in *International Journal of Public Administration* and *Journal of Health Organization and Management*. He was Visiting Lecturer in the Master in Public Management at Stellenbosch University (South Africa) and Lecturer in the Master in Healthcare Management and Economics at Malta University.

Emanuele earned a Degree in Scientific and Economic Disciplines from Bocconi University and a Ph.D. in Public Administration Management from the University of Parma.
