Curriculum Vitae

Fabrizio Castellucci is Associate Professor of the Department of Management and Technology at Bocconi University.

At SDA Bocconi he is currently Director of the Doctorate in Business Administration (DBA).

His research activities focus on the Interorganizational networks, the status, the learning and the organizational change. His education activities concern the influence, the interpersonal networks, and the dynamics of power for which he can leverage on various international collaborations, including those with the Wharton School, University of Pennsylvania, INSEAD, e la Judge School of Business, Cambridge University.

He is a member of the Academy of Management and of the European Group of Organization Studies.

He is Co-author of numerous articles and Conference Papers including "Getting What You Need: How to Repeat and Status Affect Team Performance, Hiring, and Salaries in the NBA." Academy of Management Journal, and "What's in it for them? Advantages of Higher Status Partners in Exchange Relationships." Academy of Management Journal. Other publications have been published in the Journal of Management, Organization Studies, Strategic Organization and Labor Economics.

Fabrizio holds a degree in Business Administration from the University of Bologna (1993), a Master in Sociology from Stanford University (1998), a Ph.D. in Business Administration from the University of Bologna (1999), a M.A. in Business Research at the Stanford University USA Graduate School of Business (2000), and a Ph.D. in Business at Stanford University's Graduate School of Business (2001).
