Curriculum Vitae

Ph.D. candidate in Technology Management (2011, expected January 2017), Bocconi University Milan

M.Sc. in Entrepreneurship Management (2008-2011), University of Tehran, Iran

B.Sc. in Mechanical Engineering (2001-2007), KNT Technology University, Tehran, Iran

Academic position and/or Professional activities

Researcher with grant Bocconi of Management and Technology

Bocconi University, Milan, Italy

-Teaching Assistant, Technology and Innovation Management (2016), Prof. Fosfuri

-Teaching Assistant, Competitive Strategies in Creative Industries (2016), Prof. Giarratana

-Teaching Assistant, Managerial Skills (2016), prof. Prandstellar

-Teaching Assistant, Advanced topics in Organization Design (2015), Prof. Wohlgezogen

University of Tehran, Tehran, Iran

Research Interests

- Technology and innovation management
- Economics of innovation
- Innovation ecosystems
- Complex products’ design and NPD
- Software development
- Startup dynamics
- Digital startups
