SENIOR LECTURER

Audit & Risk Management

PAOLA.TAGLIAVINI@UNIBOCCONI.IT

Biography

Paola Tagliavini is a Senior Lecturer of Audit & Risk Management at SDA Bocconi School of Management and Adjunct Professor at the Department of Accounting of Bocconi University for "External Auditing (advanced course)" in the Graduate School, "Internal Audit, Risk and Corporate Compliance" and "Enterprise Risk Management" in the Master in Accounting, Auditing and Control.

She is co-director at the Lab ERM and faculty member in SDA executive courses on risk management, compliance and internal audit. She is Faculty member for Audit, Risk and Compliance in the Master in Corporate Finance and in the Executive Master in Finance and in several national and international programs for executive.

Her research focuses on the topics of risk management, risk financing, internal control systems, and the integration of risk management and controls into the governance systems especially of listed companies.

Paola is author of publications and speaker at conferences on risk, compliance and internal controls. She has been dealing with risk management and corporate protection issues for many years, formerly at Bocconi University at SPACE Center (1993-2003). She has been Visiting Researcher at the Insurance and Risk Management Department of the Wharton School - University of Pennsylvania (1997).

She is an independent board director or statutory auditor of several listed companies and SGR ("asset management company"). She is Chairman or member of the associated control and risk committees. She is also a member of Supervisory Bodies pursuant to 231/01.
