Curriculum Vitae

Associate Professor of the Department of Finance at Bocconi University

London School of Economics PhD in Finance 2001–2005

Universitat Pompeu Fabra MSc in Economics, hons. 2000–2001

Bocconi University BSc in Economic and Social Sciences, 110/110 cum laude 1994–1999

Research Interests

His research spans a variety of topics such as asymmetric information in financial markets and corporate financing decisions. He is currently involved in research projects on the pricing of contractual terms in sovereign bonds, the role of board connections in corporate financing decisions, and the interplay between market transparency and the disclosure of insider trades.
