

Severino Meregalli

LEADERSHIP, HUMAN RESOURCES AND DIGITAL TECHNOLOGIES

ASSOCIATE PROFESSOR OF PRACTICE
IT Management

SEVERINO.MEREGALLI@SDABOCCONI.IT

Biography

Severino Meregalli is an Associate Professor of Practice of Information Systems at SDA Bocconi School of Management.

At SDA Bocconi, he was head of the Information Systems Unit (2007-2012). At present, he is the Scientific Director of the DEVO Lab (Digital Enterprise Value and Organization Lab). He has conducted research and education projects for major multinational companies.

His research activities focus on Information System governance, ERP, monetary measures of IS (cost and value), digital transformation and digital impact. Currently, he is examining various issues such as information systems, the distribution and pathways of adoption of IS governance tools in companies and the impact of digital technologies on companies within the DEVO Lab.

He is the author of books and articles on his topics of interest. His works have been published in *Economia & Management* and *Finanza Marketing e Produzione*. He is the founder and partner of a consulting and advisory company in the field of corporate IT. He has been a member of the Board of Directors of national and international companies. He has been a Visiting Scholar at the Carlson School of Management in Minneapolis.

Severino earned a degree from Università Bocconi.
